Ladies/Gentlemen:

Attached please find an addendum on the above captioned project. Included in the attachment is an addendum notification which details the changes and the respective proposal pages which were added and/or changed.

Except for new bid insert pages, it is unnecessary to return any of the pages attached.

Bid insert pages must be returned with the bid proposal submitted to the Department, unless your firm is submitting a bid using a computer print out. The computer print out must be changed to reflect the new bid item information.

Contractors and material suppliers, etc. who have previously been furnished informational proposals are not being furnished a copy of the addendum. If you have a subcontractor on the above project, please advise them of this addendum. Acknowledgment of this addendum is not requested if your company has been issued a proposal stamped "This Proposal Issued for Informational Purposes."

You are required to acknowledge receipt of this addendum on the Addendum Acknowledgement form contained in your bid proposal by placing a mark in the box next to the respective addendum.

Failure to Acknowledge receipt of this addendum in your bid proposal will result in your bid not being read.

Legal Relations and Responsibilities

For this project, Item 007, "Legal Relations and Responsibilities," of the Standard Specifications, is hereby amended with respect to the clauses cited below, and no other clauses or requirements of this Item are waived or changed hereby.

Article 7.4. Insurance and Bonds is supplemented by the following:

Comply with the additional insurance requirements and other conditions set forth herein.

- The Contractor shall obtain additional insurance coverage in the following types and amounts as shown in Table 2. Provide certification of the Workers Compensation, Commercial General Liability, Business Automobile, and Protective Liability policies to the Department and the Railroad Company.
- Do not work on the Railroad Company's property until the Department and the Railroad have been provided the insurance certificates and original policies required in Table 2.
- Policies issued for Railroad Protective Liability coverage listed in Table 2 must be issued for and on behalf of the Railroad. Maintain the Railroad Protective Liability insurance until all work on the railroad right of way has been completed. Where more than one Railroad Company is operating on the same right of way or where several railroad companies are involved and operate on their own separate rights of way, provide separate insurance policies in the name of each Railroad Company.

Table 2
Additional Insurance Requirements

Type of Insurance	Amount of Coverage(minimum)
Workers Compensation	\$500,000 / \$500,000 / \$500,000
Commercial General Liability	\$2,000,000 / \$2,000,000
Business Automobile	\$2,000,000 combined single limit
Railroad Protective Liability:	\$2,000,000 / \$6,000,000

- Pay all deductibles stated in the policy. Subcontractors must meet the requirements of Table 2 either through their own coverage or through the Contractor's coverage.

- Stop all work if any of the insurance lapses for any reason. Should any coverage lapse, provide the Department and the Railroad with new certificates and new policies of the insurance.
- No direct compensation will be made to the Contractor for providing the insurance policies required herein as the costs involved shall be included in the unit prices bid for the several pay items of the proposal.
